**Dear Alumni and Friends,**

We are pleased to present to you the 2023-2024 edition of our **Annual Report and Donor Edition**. **Please note that this report represents all contributions through June 30, 2024.**

As we continue to grow and thrive at Valley City State University, it is important to recognize the vital role our donors play in shaping the future of our institution. Your support has a profound impact on the lives of our students, faculty, and the entire VCSU community.

This edition of the Valley City State Annual Report and Donor Edition is dedicated to you—the individuals who believe in our mission and invest in our vision. Whether you have contributed to scholarships, facilities, or special programs, your generosity creates opportunities that empower our students to succeed academically, athletically, and personally.

We also want to share with you the exciting initiatives and projects that are on the horizon. The McCarthy Hall conversion into a state-of-the art School of Education is underway and we look forward to celebrating its completion. We have also secured the initial required funding to being our new indoor practice facility on our campus with an anticipated groundbreaking sometime in the spring of 2025. These are projects that we feel are gamechangers for our campus. Valley City State University continues to demonstrate a commitment to creating an environment that allows our students to excel and grow.

At the same time, we continue expansion of our scholarship programs. Your support ensures that VCSU remains a place where all students can row together toward their dreams.

Thank you for your unwavering commitment to Valley City State University. It is because of you we can continue to offer an exceptional education and a vibrant community for all who step onto our campus. Together, we are building a brighter future, and for that, we are sincerely grateful.

We aim to achieve the highest level of accuracy in the publication to appropriately acknowledge all those who contributed during the previous fiscal year (**July 1, 2023-June 30, 2024**). However, mistakes are always possible, and we welcome the opportunity to correct them. If we have missed any donor or any donation, or if you feel that you have been placed in the wrong giving category, please call the VCSU Foundation Office at 701-845-7203.

We encourage you to keep reading and discover the numerous ways your contributions to the VCSU Foundation have transformed lives at our University. Once again, we sincerely appreciate your continued support of our students and the essential work happening at VCSU. Wishing you and your family enduring health and happiness.

## WHAT IS AN ENDOWMENT?

An endowment is a special fund in which the principal is invested in perpetuity and never used. The interest earnings support the annual scholarship allocation. Endowments are an excellent way to honor or memorialize a loved one, teacher, coach or your family.

*The VCSU Foundation requires a minimum investment of \$10,500 to establish an endowment.*

Donors can invest the funds all at one time, or make periodic contributions to the fund until such time that the \$10,500 minimum is met. Once the fund is established, contributions to the fund can continue into the future.

## ➤ HONOR & MEMORIAL GIFTS

### Memorial Gifts

Each year, the Valley City State University Foundation receives a number of memorial gifts. A memorial gift is a wonderful way to leave a lasting legacy to honor the loss of a loved one, friend or colleague. Our office can acknowledge these gifts to the family of the deceased as well as to the donor.

## ➤ VCSU LEGACY SOCIETY

The Legacy Society recognizes those folks who have included the VCSU Foundation in their will or as a beneficiary of an insurance policy or trust. The Legacy Society is VCSU's way of thanking those alumni and friends who have included the Foundation in their estate plans.

If you have included the Foundation in your estate plans, please contact the University Foundation/Alumni Office and advise us accordingly. All members of the Legacy Society will be listed in the annual Donor Edition. According to Cory Anderson, executive director of advancement, "The Foundation often receives gifts from estates that come as a surprise. Although we appreciate these gifts, we are not positioned to express our thanks and appreciation. The Legacy Society will provide us an opportunity to express that thanks and appreciation and to more appropriately recognize our donors."
