VCSU FOUNDATION

We appreciate all of our donors and the contributions that we receive. To assist our donors in making a contribution, there are a variety of payment methods and plans available; we accept cash, check, credit card, and can set up payment plans annually, quarterly or monthly. We can even set up automatic payments by credit card or ACH to a checking or savings account. If you have a question about making a donation or a question on an existing pledge, please call the Foundation Office and they will be happy to assist you. Donations are tax deductible, as the VCSU Foundation is a 501(c)(3) organization.

We have tried to make the Donor Edition as accurate as possible in order to properly recognize everyone who contributed this past fiscal year (July 1, 2017 – June 30, 2018). However, mistakes are always possible, and we welcome the opportunity to correct them. If we have missed any donor, or if you feel you have been placed in the wrong giving category, please call the Foundation Office at 800-532-8641 ext. 37203.

Two-hundred Valley City State University first-year students and their mentors harvested more than 50,000 pounds of produce on a farm northwest of Valley City for distribution by the Great Plains Food Bank.

Mostly squash, the 25 tons of produce also included corn, tomatoes, peppers and onions. The VCSU students picked the produce as a community service project stemming from their Learning to Live, Living to Learn (L2L) course.

Because of your support...

As we start a new academic year at VCSU, I want to take a few moments to thank you for your support. We couldn't do it without you! This is a difficult time for students to attend college—they must work several jobs, manage family issues, and still get up in time for class every morning. To the extent that we can offer scholarship support, we reduce the hours they have to work and the extent of the debt they graduate with.

Because of your support, VCSU is able to enroll about twice the number of students we had back in the 1990s. Because of your support, enrollment continues at a higher level and the tuition dollars help support innovations on our campus, such as new equipment for the athletic training program and iPads for education faculty who will be implementing their use in all education courses next spring. Because of your support, we graduate career-ready young adults who succeed in their chosen professions.

We continue to work on new program opportunities that benefit the businesses in our region by providing the right coursework and credentials. This past spring, we graduated our first Master of Arts in Teaching student, who was able to transform a non-teaching baccalaureate degree into a master's that prepared her for teacher licensure in North Dakota.

During a time of tight budgets, every student makes a difference at VCSU, and your support allows us to make a difference in their lives in return. Thank you for helping us live out our campus vision: "As an innovative university, we deliver distinctive, learner-centered experiences." Together, we're better!

Margaret Dahlberg
VCSU Interim President

VALLEY CITY

STATE UNIVERSITY

Thank you for your continued support.

We are pleased to present to you the 2018 edition of our *Annual Report and Donor Edition*. This report reflects all contributions through June 30, 2018.

Thanks to your continued support, your VCSU Foundation had another successful year. Our asset base is enjoying strong growth and we will offer an all-time record scholarship allocation of \$1,623,000 for the upcoming year. We have also experienced strong growth in our list of Endowed and Memorial Scholarships and for special projects on campus. None of this would have happened without the support from you, our donors. Your investment in VCSU continues to pay strong dividends. We have been experiencing record enrollments, and national recognition. U.S. News and World Report once again named VCSU as the Number 1 Public Regional College in the Midwest and a Best College for the 20th consecutive year.

Although we are challenged with recent budget reductions, we remain very excited and optimistic about our future. I firmly believe that our best years are yet to come. Those of us who have had the privilege to serve on the staff of VCSU inherited a very strong institution. Since 1890, we have focused on quality, best practices, educational leadership, and innovation. These descriptors have always been hallmarks of Valley City State University! It is who we are as an institution. It is our culture and it makes us proud to be part of the Viking family!

Thank you again for your continued support of our university! Should your travels bring you this way, stop by. The coffee is always on. Go Vikings!

Parker Weyer
Lake Park,
Minn.

"I had a couple reasons why I decided to attend VCSU. The small ratio of students to faculty appealed to me because I come from the small town of Lake Park, Minn. I also really liked the pre-medical major; it made sense to take some of the pressure off me on deciding which major to choose and not have to worry about minoring or double majoring to make it into dental school.

I looked at big name schools, but after talking to some VCSU Health Science alums and was Student for a Day with Dr. Hilde van Gijssel, I decided to come to VCSU. The V-500 scholarship will help me greatly in pursuing my dream of becoming a dentist."

"We support our favorite alma mater and are grateful for the excellent preparation to teach and for those we met on campus, many who remain lifelong friends.

"We treasure our happy memories of VCSU, first as students in the late 1950s and then as faculty in the 1970s. We give to partially repay the support we received and urge other alumni to also 'pay it forward' so you too have the good feeling of helping future Vikings!"

"Don't ever forget where you came from.' My years at Valley City State University were a wonderful, unforgettable time in my life, and the best educational experience I've had. My passion towards Valley City State University continues to be very strong, for VCSU helped mold me into the successful person that I am."

VCSU Legacy Society

The Legacy Society recognizes those folks who have included the University in their will or as a beneficiary of an insurance policy or trust. The Legacy Society is VCSU's way of thanking those alumni and friends who have included the University in their estate plans.

If you have included the University in your estate plans, please contact the University Foundation/Alumni Office and advise us accordingly. All members of the Legacy Society will be listed in the annual Donor Edition. According to Larry Robinson, Executive Director of Advancement, "The University often receives gifts from estates that come as a surprise. Although we appreciate these gifts, we are not positioned to express our thanks and appreciation. The Legacy Society will provide us an opportunity to express that thanks and appreciation and to more appropriately recognize our donors."

Arthur, N.D.

"I had a lot of encouragement from the educators at Northern Cass High School to attend VCSU. Several of them went to VCSU. They told me it's a great campus and that if I wanted to pursue a degree in education that Valley City would be a great opportunity for me. It's also a smaller university which is a great transition from a small school and it'll make me feel more involved with my classes.

"College is expensive; any scholarships you can get helps immensely. The scholarship helps lighten the burden of student loans."
